

SPORTSLEADER CHAPLAINS, CAMPUS & SPORTS MINISTRY CONFERENCE

Come hear from leaders all over the country who are transforming their communities with the SportsLeader virtue program.

Within the Catholic Church and our Catholic schools, sports is one of the most important platforms for youth ministry, poised as an incredible area of growth and opportunity.

Join us in considering a more strategic, systematic approach to help better form our coaches, athletes, and parents. How can it be done? We believe the most effective path to strengthen our Catholic sports programs is through the creation of a new position: The Director of Sports Ministry.

WHERE? St. John's Catholic Newman Center
604 E. Armory Ave
